**Product price:**

**€17.00 tax included**

**Product features:**

Essence type: combination  
stock or dosage: Dosage  
Size: 30ml dropper bottle

**Product attributes:**

**Product codes:**

Reference: AB204  
EAN13: -  
UPC: -

## Product short description:

This remedy was created to help make mothering more easy and joyful! A great Essence to give a little bit more oomph, resilience, calm, and renewal. It strengthens the connection between a mother and her child or children; enhances her intuition and eases any burden of responsibility and overwhelm. Quite importantly it also helps a mother to pay attention to and look after her own needs, not just her family's.
