Product price:

€19.50 tax included

Product features:

Essence type: combination stock or dosage: Stock Size: 15ml dropper bottle

Product attributes: Product codes:

Reference: GHF248

EAN13: -UPC: -

Product short description:

Within each of us exists a record of the history of our soul, the experiences we have had or will have and the lessons learned along the way. This essence helps bring this information to light by helping us access the data bank known as the Akashic Records where this information is stored.
