# Vitex

**Product price:**

**€19.90 tax included**

**Product features:**

Essence type: combination

stock or dosage: Stock

Size: 15ml dropper bottle

**Product attributes:**

**Product codes:**

Reference: GHF252

EAN13: -

UPC: -

## **Product short description:**

Help to get the most from our food. Vitex offers information about assimilating the minerals in our food. It will not remineralize our systems or alter our body chemistry, but it will offer our energy systems amazingly helpful information about doing this for ourselves.

Helpful when we feel run down or enervated in any way.
