Product short description:

Balances feminine cycles, emotions, reduces tension and irritability and enhances wellbeing.

Aroma: Woman Essence signature scent - Fresh, floral and herbaceous.

Harmonises any emotional imbalances during menstruation and menopause. It allows a woman to discover and feel good about herself, her own body, and her beauty.

Simply roll the applicator gently back and forwards on neck, wrists, temples or pulse points and breathe deeply to balance feminine cycles, emotions, reduces tension and irritability and enhances wellbeing.
