Essence type: energetic essence  
stock or dosage: Stock  
Size: 30ml dropper bottle

**Product attributes:**

**Product codes:**

Reference: WAE143  
EAN13: -  
UPC: -

## Product short description:

This essence has been created specifically to help our bodies deal with the negative effects that come from being exposed to electromagnetic fields. This essence provides powerful support for protecting oneself from the harmful influences of fields generated by all electrical devices and is especially beneficial with computers, mobile phones, and other equipment that we are in contact with daily.
