Product short description:

Unwind into a deep, restful sleep with our new Sleep Essence Organic Space Mist. This gentle blend of Australian Bush Flower Essences and pure essential oils helps create a calm, serene environment to ease you into relaxation, even after the busiest days.

This Sleep Space Mist is the perfect addition to your bedtime routine. Simply spray a light mist around your pillow, sheets or bedroom to immerse yourself in its soothing aroma, guiding you towards inner calm and peaceful rest.

The signature aroma combines woody lavender, calming cedarwood and warm cinnamon, bringing a grounding sense of peace that encourages a quiet, restful state of mind.
