Product short description:

Honey Myrtle Hydrating Mist is a replenishing and moisturising mist designed for both your face and body. This mist provides instant hydration and supports moisture balance to enhance your natural radiance for a naturally glowing complexion. Infused with the unique qualities of Australian bush flowers, ethically sourced in pristine and unpolluted regions of the vast Australian landscape for emotional health and wellbeing.

The Honey Myrtle Hydrating Mist is formulated with organic botanicals, plant cellular extracts and floral waters, this mist provides a protective barrier for your skin. The fresh, sweet scent of Honey Myrtle clears the head and helps provide a feeling of calm.

Concerns: Dehydration, Inflammation, Dullness

Benefits: Hydration, Glowing Complexion, Protective Barrier
