# Infinite Potential

**Product price:**

**€21.90 tax included**

**Product features:**

Essence type: combination

stock or dosage: Dosage

Size: 30ml dropper bottle

**Product attributes:**

**Product codes:**

Reference: PAC254

EAN13: -

UPC: -

## **Product short description:**

There is nothing quite like the experience of being at Botanical Beach a few minutes before the tide changes. At the moment where the last wave leaves the shore and before the next one washes in, there is silence. This is a silence which seems to stretch into infinity. It is a deafening silence. It takes your breath away. And in this precious moment everything is possible.
